

**ROBERT J. & NANCY D. CARNEY**  
INSTITUTE FOR BRAIN SCIENCE  
**BROWN UNIVERSITY**

## **Neuroscience Graduate Program Presents Bench to Bedside Seminars**

### ***Spinal Cord Injury: Circuits to Clinical Translation through Neurotechnology***

**Thursday, March 2<sup>nd</sup>, 2023 | 4PM EST**  
***Marcuvitz Auditorium | Sidney Frank Hall 220***

**David J Lin, MD**

Neurologist,  
Providence VA Medical Center  
Core Investigator, VA RR&D  
Center for Neurorestoration  
and Neurotechnology  
Director,  
Massachusetts General Hospital  
Neurorecovery Clinic  
Assistant Professor of Neurology  
Harvard Medical School

**David A Borton, PhD**

Associate Professor of Engineering  
& Brain Science,  
School of Engineering & Carney Institute,  
Brown University  
Associate Professor of Neuroscience,  
Rhode Island Hospital  
Dept of Neurosurgery,  
Biomedical Engineer,  
Dept Veterans Affairs,  
Providence VA Medical Center  
Center for Neurorestoration  
and Neurotechnology

**Jared S Fridley, MD**

Assistant Professor  
Dept of Neurosurgery,  
Director,  
Spinal Outcomes Laboratory  
Warren Alpert Medical School  
Brown University

***Organized by the Brown University  
Center for Translational Neuroscience***

***Host: Leigh Hochberg, MD, PhD***
